Director's Corner

What an outstanding performance the students and faculty at Dance & Bodyworks gave at our 7th annual performance, "Ever After" - A Cinderella Story. We had a great time presenting it and in the process set a new standard of excellence for ourselves. Thank you to everyone involved for all of the hard work you put in. You all were simply fabulous!

The planning for the 2005-2006 dance season is well underway and is filled with exciting programs, events and opportunities for everyone. Some of this season's highlights include "Scrooged" an original holiday production, back by popular demand, the Annual Red & White Ball and New York Overnight Dance Excursion, Master Classes and Workshops, and much more! So dust off your dance bags and get ready for another exciting, fun-filled year of learning, growth and new experiences.
