Endearments and Advertisements for the "Annie...with a twist" Year-End Program Booklet

Performance day for a young dancer is magical. They're on stage in front of hundreds of people, in costume with stage lighting and excitement in the air. Your young dancers have been working very hard preparing for this moment. And there is no doubt that your family and friends will be very proud. It is a very special day, one that won't soon be forgotten.

Keep alive the memory and magic of the moment by showing your dancer how very proud you are through words of encouragement and love in the "Annie...with a twist" Year-End Program Booklet. This is also a great way for those who are unable to attend the program to show their support. The 2007 Program Booklet Ad Forms will be available in March. It will include a variety of ad sizes and related costs for you to choose from. Recital Program Ad and Congratulations submission deadline is Saturday, April 14, 2007. Examples from last year's program book are at the front desk.

No gift is too small. In recognition of your support of D&BW's outreach efforts to bring arts to the community, D&BW Special Friends will receive special recognition in the 2007 Program Booklet. Please share this information with family, friends, and business associates. Thanks!

Dance & BodyWorks' Red and White Ball

The place to have been on Saturday, February 17th was at Dance & BodyWorks' Red and White Children's Ball...and what a ball we had! Our children stepped out in grand style. They were absolutely gorgeous!! The room was beautifully decorated too and the DJ kept the party going. There was dancing, prizes were won, and a fashion show put on by members of the 13-17 Core dance program. The younger children were dressed so well, they had a chance to participate in the fashion too. A good time was definitely had by all!!

Recital Theme T-Shirt Orders

Recital T-Shirts can be ordered at the end of April. A sample of the front of the t-shirt and a list of all students who are participating in the recital will be available and posted on the studio bulletin board soon. This list of names will be on the back of the t-shirt. It is so important that every parent make a point to stop by and see the list to make sure their child's name is correctly spelled before going to final print.

The New York Trip was FUN!!

The New York trip on March 3rd - 4th was a huge success and a lot of fun too! Dance & BodyWorks students represented themselves well in their Horton class at the Alvin Ailey Studios. We saw the Broadway show "A Chorus Line", visited the Madame Tussaud's Wax Museum, ate lunch at the ESPN Zone, and let's not forget shopping! Even the weather was nice...In short, we had a ball. If you were unable to join us this year, make plans now for next years trip scheduled for March 2008. We're already looking forward to next year's trip!
